# SATURNIA

Made in Italy

## CARATTERISTICHE GENERALI

Luogo di installazione : Interno  
Tipo di installazione : Plafone - Sospensione  
Tipo di emissione : Diretta  
Led utilizzato : NICHIA  
Corpo : Alluminio  
Finitura : Bianco, Nero, Alluminio, Custom  
Tonalità standard : 2700K - 3000K - 4000K

## GENERAL FEATURES

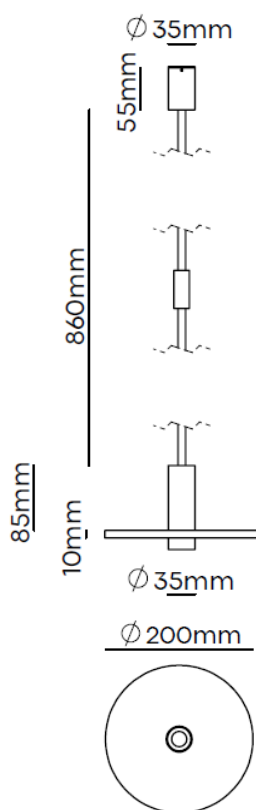

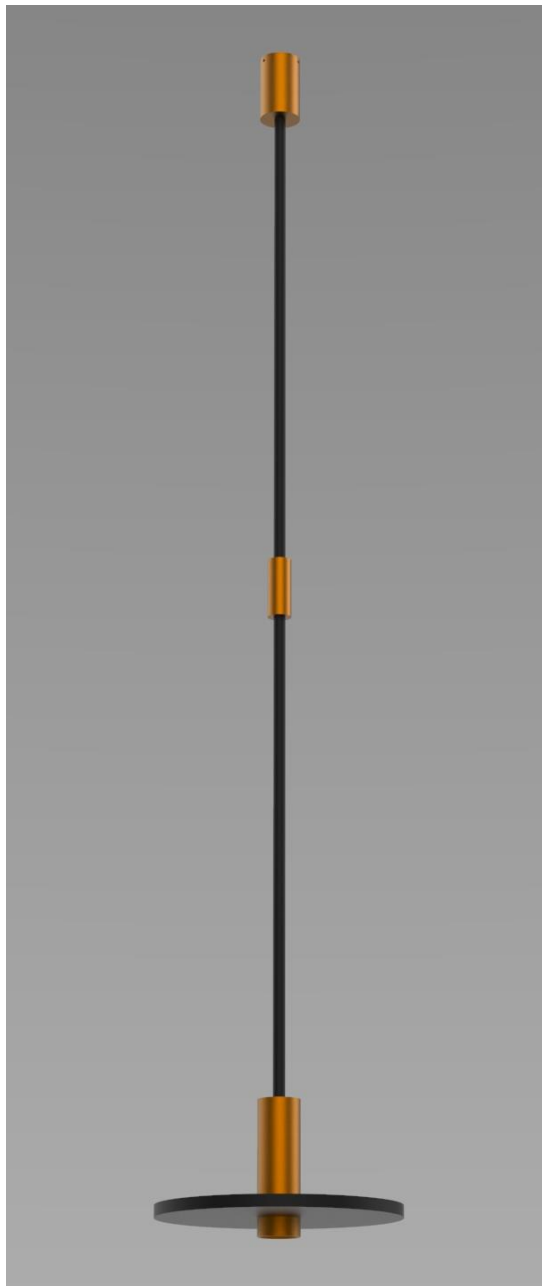

Installation Location : Indoor  
Installation Type : Ceiling - Suspension  
Emission type : Direct  
Led used : NICHIA  
Body : Aluminum  
Finish : White, Black, Aluminum, Custom  
Standard colors: 2700 - 3000K - 4000K

## CARATTERISTICHE ELETTRICHE

Tipo di alimentazione : Elettronica  
Montaggio gruppo di alimentazione : Remoto  
Ingresso linea : FEP 2x0,25mmq  
Tensione di lavoro : 12V  
Corrente di lavoro : 350 – 500 mA

## ELECTRICAL FEATURES

Supply Type : Electronics  
Mount power supply : Remote  
Line Input : FEP 2x0,25mmq  
Working voltage : 12V  
Working current : 350 – 500 mA

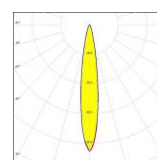

IP40

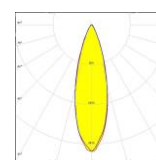

## Prestazioni – Performances

Potenza – Power (W)	Flusso sorgente – Light source flux (Lm)	Efficienza – Efficacy (Lm/W)	Ottiche disponibili – Available Optics (°)	CRI
6	735	122	20 - 30 – 44 - EL	>90

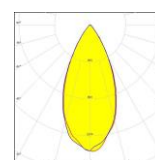

## Fotometrie - Photometry

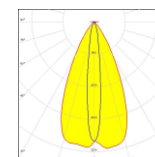

20°

30°

44°

EL 14°+53°

Le prestazioni indicate si riferiscono alla tonalità 3000K - The indicated performances refer to the 3000K

## Informazioni dispositivi di alimentazione e dimmerazione / Information on power supply and dimming devices

ALIMENTATORE REMOTO- REMOTE POWER SUPPLY  
DIMMERABILE SU RICHIESTA – DIMMING ON REQUEST
